

ERDC/CRREL Snow Community of Practice: Professional Involvements

16 September 2004

Journal Affiliations:

Albert, Mary: *Hydrological Processes*, Member Editorial Board
Andreas, Ed: *Atmospheric Research*, Member Editorial Board
Arcone, Steve: *Geophysics*, Special Editor
Hardy, Janet: *Journal of Hydrometeorology*, Associate Editor
Lever, Jim: *Journal of Terramechanics*, Editor
Liston, Ron: *Journal of Terramechanics*, Associate Editor
Sturm, Matthew: *Journal of Glaciology*, Immediate Past Chief Editor

University Affiliations:

Albert, Mary: Dartmouth College, Member Steering Committee, Northern and Polar Studies Program
Arcone, Steve: University of Maine, Graduate Research Faculty
Daly, Steve: University of Alaska-Anchorage, Affiliate Professor
Frankenstein, Susan: Colorado State University, Adjunct Professor
Geiger, Cathy: University of Delaware, Research Fellow
Lever, Jim: Dartmouth College, Adjunct Associate Professor
Sturm, Matthew: University of Alaska, Adjunct Professor
Taylor, Susan: Dartmouth College, Adjunct Associate Professor

Committee Affiliations:

Aircraft Icing Research Alliance
Ryerson, Chuck: Member
American Meteorological Society's Committee on Polar Meteorology and Oceanography
Andreas, Ed: Member
American Society of Civil Engineers
Daly, Steve: Chair, Committee on Cold Regions Hydrology and Hydraulics
Arctic Institute of North America
Sturm, Matthew: Member, Board of Directors
Arctic Research Consortium of the United States
Andreas, Ed: CRREL Representative
Weatherly, John: CRREL Representative
Canadian Geophysical Union, Hydrology Section, Canadian Committee on River Ice Processes and the Environment
Daly, Steve: Organizer, 13th Workshop on Ice-Covered Rivers (in 2005)

CHAMP Science Steering Committee
 Perovich, Don: Member
 Sturm, Matthew: Member

Community Climate System Model, Polar Climate Working Group
 Weatherly, John: Member

Defense Technology Area Plan—Battlespace Environments, Terrestrial Environments
 Davis, Bert: Chair

Eastern Snow Conference
 Frankenstein, Susan: Member Executive Committee
 Hardy, Janet: Member Executive Committee
 Taylor, Susan: Member Executive Committee

International Association for Hydraulic Research, Ice Research and Engineering
 Committee
 Daly, Steve: U.S. Representative

International Commission on Snow and Ice
 Albert, Mary: Member, Snow and Climate Group
 Hardy, Janet: Member Steering Committee on the Intercomparison of Forest
 Snow Process Models

Mount Washington Observatory Science and Engineering Committee
 Ryerson, Chuck: Member

National Aeronautics and Space Administration's Cold Land Processes
 Davis, Bert: Co-chair of Working Group
 Davis, Bert: Assistant Coordinator of experiment
 Davis, Bert: Science Co-PI of Pathfinder Concept
 Hardy, Janet: Coordinator for local-scale observations during experiment

National Science Foundation's Arctic System Science Committee
 Perovich, Don: Member
 Sturm, Matthew: Member
 Weatherly, John: Member

National Science Foundation's Land-Atmosphere-Ice Steering Committee
 Sturm, Matthew: Member

OASIS Science Steering Committee
 Perovich, Don: Member

Ocean-Atmosphere-Ice Interaction Science Steering Committee
 Perovich, Don: Chair

Polar Research Board
 Albert, Mary: Member

SAE International, Subcommittee on Aircraft Icing Technology
 Ryerson, Chuck: Member

U.S. National Committee for the International Polar Year
 Albert, Mary: Chair

World Climate Research Programme's International Program of Antarctic Buoys
 Geiger, Cathy: Committee Member

World Climate Research Programme's Working Group on Surface Fluxes
 Andreas, Ed: Member
